Introduction

Mohammad Al Najjar Advocates & Legal Consultants is a group of expert lawyers based in Dubai. Inspired by client-centric and result-driven principles Al Najjar lawyers was founded and has become a legal powerhouse that consistently delivers exceptional legal services in the United Arab Emirates. Mohammad Al Najjar as the founder and one of the best lawyers in Dubai as well as U.A.E. aims to be the law firm of choice for local and international clients whether they exist in U.A.E. or abroad.

Our expertise in law is incorporated into processes created to ensure a smooth client journey. We offer assistance for example but not limited to corporations, financial institutions, landowners, investors, business owners and government officials with legal, financial, arbitration and taxation issues amongst many others.

Our distinguished team of lawyers specializes in numerous law aspects. Together, we form the best legal consultants in Dubai and U.A.E.

Our diversity and inclusion are vital components of our practice. We pride ourselves on having a cosmopolitan team to provide legal assistance, representation and coverage in eight different languages.

Mohammad Al Najjar

Founded on the principles of being client-centric and result-driven, Mohammad Al Najjar Advocates and Legal Consultants has become a legal powerhouse that consistently delivers exceptional services.

The founder's vision is to become the industry leader- the law firm of choice- for national and international clients. We do that by bringing talent and experience from across the firm and creating value-based solutions for our clients, helping them in legal matters.

Our specialist expertise in Law is coupled with processes that ensure a smooth customer journey. We help corporations, financial institutions, landowners, business owners, and the government with legal, financial, arbitration, and taxation issues.

Diversity and inclusion are vital components of our practice, and we pride ourselves on having a multilingual team providing legal aid, action, representation, and coverage in eight different languages.

Top-notch experience

At Mohammad Al Najjar Advocates we offer world-class law services to our clients. Pairing experience with excellence helps us to be the legal powerhouse of choice in UAE, and our lawyers have interdisciplinary experience in different fields of law and business. Our legal counselors have been representing corporates and business owners at the highest level for the past 20 years in company incorporation, business compliance counseling, dispute resolution, corporate restructuring and defense before the court of law for any lawsuit including employment lawsuits.

Business focus

At Mohammad Al Najjar Advocates we focus on meeting the requirements of business clients. We are the number 1 choice for multinational corporations seeking high-class counseling in any matters that overlap and intersect their business activities. Our lawyers very well understand diverse legal, financial and business-related issues that our clients might face, and they dedicate themselves to clients' businesses so they can anticipate, manage and mitigate any risks or challenges that may be on the horizon. We help companies and their board of counselors to solve any complex issues that can impact their day-to-day or long-term operations.

ose us?

Employment Law

Immigration and Citizenship

Intellectual Property Law

Real Estate Law

Arbitration Law

What is Arbitration?

Arbitration is a private dispute resolution procedure that both parties opt to settle their dispute. Both parties initially have an agreement that in case of a dispute they will submit their dispute to arbitrators make a binding decision on the dispute.

How can we help?

At Mohammad Al Najjar Advocates we have a team of the best arbitrators in UAE, and we prefer to solve any disputes using alternative procedures to avoid costly traditional litigation. We study the facts and we negotiate with both parties to have the best win-win outcome then we document the agreement and file it up as a reference for us along with both parties.

Civil Law

What is Civil Law?

Civil Law is the legal system originated in Europe and not long after it was also adopted in many other places of the world. The civil law system is intellectualized within the framework of old Roman law, and empowered by core principles codified into a referable system which are serving as the primary source of civil Law.

The civil law usually regulates matters related to daily life of individuals, companies, and establishments. The UAE's civil law governs the civil and commercial disputes whether being between individuals or companies. Sharia is the core principle of UAE's civil law along with other principles which have been inspired from the Roman and French legal systems.

How can we help?

At Mohammad Al Najjar Advocates we have the best civil lawyers in Dubai. Our team can represent our unique clients before all types of courts in UAE. We have deep experience dealing with different subjects of civil law such insurance, compensation, contracts, property, family relations, civil wrongs causing physical injury or injury to the property, employment, and financial issues related to bankruptcy or bank disputes.

Criminal Law

What is Criminal Law?

Criminal law mainly defines criminal offenses. It regulates the apprehension, charging and trials of suspected persons. Criminal law also fixes penalties and modes of treatment applicable to convicted offenders.

Criminal law in UAE defines the crime under federal penal code, and the main provisions of criminal law in UAE are mostly derived from Sharia.

How can we help?

At Mohammad Al Najjar Advocates our team consists of the best criminal lawyers in Dubai with comprehensive knowledge of all crime types in the modern world. With the knowledge our team has and the experience of 25+ years working in the criminal law field.

The UAE's government always adapts to new technology and its very wide spread, and understands that when it comes to technology and how useful it could be, it can also be used in abusive ways which require precautionary measures to regulate the usage in mainland.

Our best criminal lawyers can represent our valued clients in many aspects criminal law such as:

1 
Physical violence

2 
Cyber crimes

3 
Money laundering

4 
Drug trafficking whether possession or consumption

5 
Kidnapping, assault or any other threats

6 
Theft or robbery

7 
Crimes against dignity

8 
Loan fraud

Commercial Law

What is Commercial Law?

Commercial law is also known as trade law. It applies to the relations, rights and conduct of persons or business engaged in activities such as commerce, trade, sales or merchandising.

Commercial law has many categories including merchant shipping, carriage by land or sea, marine, bills of exchange, contracts and partnership. Many of these categories fall under financial law as an aspect of commercial law. Commercial law mainly regulates corporate contracts, manufacture and sales of consumer goods and hiring practices

How can we help?

At Mohammad Al Najjar Advocates we understand the market very well and we keep up with any updates in the trading market. Our team forms the best commercial lawyers in Dubai and the UAE and their expertise is extended to multiple commercial codes including selling, importing, buying, exporting, brokerage, security laws and regulations.
